

From: [Office of the Provost](#)
Subject: Asynchronous Online Courses
Date: Monday, January 25, 2021 9:10:08 AM

Faculty Colleagues,

Instructors teaching asynchronous online courses (online courses that do not have a scheduled meeting time in PAWS) should not require students to be present online at specific times. Many of our students are enrolled in a mix a courses being taught in various modalities— asynchronous online, synchronous online, and blended. Requiring students in asynchronous online courses to meet at a specific time will invariably lead to scheduling conflicts for students.

Thanks,

Dr. Michael B. Mathias
